

## Week beginning Monday 18<sup>th</sup> of May

Hi everyone,

Firstly, we would like to thank you all for your fantastic support so far. The children have been sharing some great work and it is very reassuring for us to see such engagement.

Below is a list of activities for this week. As always, there is no obligations to complete any or all of these activities.

The children should continue to prioritise Mental Maths, handwriting and reading. The additional work attached should be seen as a menu. We do not want school work to cause any additional stress or anxiety during these times.

This weeks activities include

1. Literacy- Verbs
2. Numeracy- Measures - Length and width
3. Gaeilge- Mo Theach- Na seomraí éagsúla sa bhaile.
4. SESE/Art- A New Invention
5. PE- Active Schools Week / Active Homes Week

We really hope you are all safe and well.

Kind regards,

The Third Class Teachers

## VERBS!!!

A verb is an action word. Use some verbs to finish off the sentences below.

1. We \_\_\_\_\_ with our toys and games.
2. I \_\_\_\_\_ when I am sad.
3. At school, we \_\_\_\_\_ to the teacher.
4. At night, I \_\_\_\_\_ in bed.
5. You can \_\_\_\_\_ on the phone.
6. I can \_\_\_\_\_ lots of books.
7. You can \_\_\_\_\_ a tower with bricks.
8. I \_\_\_\_\_ when I am happy.
9. We \_\_\_\_\_ films on the T.V.
10. I \_\_\_\_\_ my lunch at school.

Make a list of 10 fun verbs

## Measuring length and height

You can use your ruler, a measuring tape or anything you have to help you measure out 1m.

Always remember-  $100\text{cm} = 1\text{m}$

Cut a piece of string that is 1 metre long and use the piece of string to measure these things at home.

Object	Estimate				Answer
	More than 1m	About 1m	$\frac{1}{2}$ of 1m (50cm)	$\frac{1}{4}$ of 1m (25 cm)	
Width of my bed					
Height of the sofa					
Length of the table					
Width of the door					

Now find 3 things to measure at home that are

- Around a metre long

1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_

- Around  $\frac{1}{2}$  a metre long

1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_

Finally- How tall are you now? \_\_\_\_\_

# Mo Teach

Cuir isteach an focail ceart agus dathaigh an teach.

<u>Seomra suí</u>	<u>Cistin</u>	<u>Seomra folctha</u>	<u>Staighre</u>
<u>Seomra codlata</u>	<u>Simléar</u>	<u>Áiléar</u>	<u>Díon</u>

## A New Invention

Put your thinking caps on!!!!

This week, we would like you to think of a new invention.

Something clever that would make your life easier.

We would like you to design a poster with your new invention.

You can include

- The name of your invention
- A picture. Use lots of eye-catching colour.
- The price to buy your invention
- Some information about how it works and how it makes life easier
- A clever slogan or rhyme to help people remember what you are selling.

If you cannot think of any ideas, you can try designing a poster for one of these-

- A Magic Pen or Pencil that does your homework.
- A car that doesn't need a driver.
- Special shoes that make you run fast or that make you better at sports.
- A bottle that refills with water or your favourite drink.

## Active week

As last week was supposed to be Active Schools Week, we are setting you a challenge to do 30 minutes of PE every day this week.

You can use the table below to fill in all the fun active things you did and you can even upload stories, pictures and videos of your home PE lessons. Don't be afraid to get your brothers, sisters, pets and parents involved (If they are not too busy).

<u>Day</u>	<u>Activity</u>
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	

You can check out [www.activeschoolflag.ie](http://www.activeschoolflag.ie)  
You will find challenges and ideas for PE at home
