

Week beginning Monday 20th April

Hello everyone. This is the 4th class work for this week.

We know that everyone's home life is different. Not everyone will have time to do all of this work. If anything is too difficult for your child skip it. We want to provide you with support and we do not want to add any extra stress. The tasks we have chosen focus on revision and are similar to activities we would use in school.

Every day we recommend that your child complete the following:

	<i>Mon</i>	<i>Tue</i>	<i>Wed</i>	<i>Thurs</i>	<i>Fri</i>
One day of NWMM & Problem Solving					
Watch a short cartoon on cúla4					
Read a book of choice					
Practice tables					
Exercise					
One page of handwriting (twice a week)					
Pick a song to practise on the recorder					

Five other challenges will be posted each week for your child to engage with.

Details are available on the next pages of this document.

Challenge 1	Maths-The Shop
Challenge 2	Interview your favourite celebrity!
Challenge 3	Geography of Ireland
Challenge 4	Art-Recycled Robot
Challenge 5	Comic Strip

Challenge 2

Celebrity Interview!

Imagine that you work for a magazine. You are about to interview your favourite celebrity. Your first task is to write about this celebrity and why you admire them. Your second task is to list all of the questions you would like to ask them during the interview.

Photograph and post your work to our Class Dojo!

Challenge 3

Geography of Ireland

Using a timer, study this map of Ireland for 3 minutes. Try to memorise as many counties as you can. After 3 minutes, try to write them all down. There are 32! If you don't get them all, try it again....see if you can beat your last score!

Do you think you know them? Try this quiz on the link below to test your knowledge!

Challenge 4

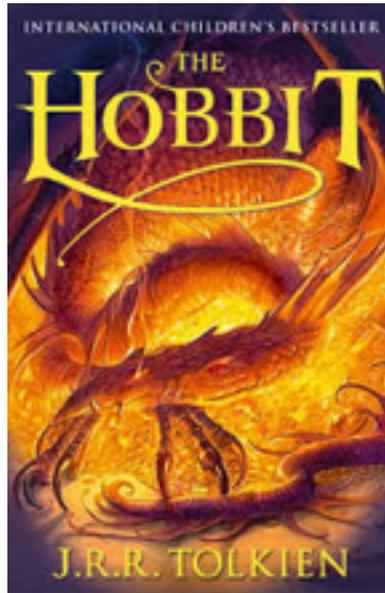

Time for some recycling!

Using (clean!) recycled materials, build a robot. Toilet rolls, tin foil and plastic bottles are great for these but you can use whatever materials you find. The recycling bin is a good place to look!

Make sure you take a photograph of your robot and post it to our Class Dojo!

Challenge 5

Reading time!

Make a comic strip of your favourite part of a book you love.

If you are not sure how to lay it out, you could copy this idea below. I just divided a sheet into 6 equal parts. Photograph your comic strips and post them to our Class Dojo!
