

Hi Everyone,

Thank you again for all your hard work and engagement this week.

We are all aware of the difficulties facing everyone during these uncertain times. We know that everyone's home situation is different. Not everyone will have time to do all this work. If anything is too difficult for your child, they can skip it. We want to provide you with support, but we don't want to add any extra stress to your lives. We will focus on tasks that include revision and tasks that can be completed independently. We have included a list of suggestions at the end for extra activities for anyone that would like to try them.

We ask that your child complete the following tasks each day:

Laughing Limericks

Laughing Limericks

Instructions

A limerick is a type of poem that has five lines and follows a special pattern. These poems are usually funny and sometimes nonsensical! Many limericks also have a drawing to go with it. Your task is to write a silly limerick and illustrate it in a drawing.

Limerick writing rules:

- It must make you laugh.
- Lines 1, 2 and 5 must rhyme AND have 8 syllables.
- Lines 3 and 4 must rhyme AND have 5 syllables.

Here is an example of a limerick:

There once was a girl from Bombay,
Who always had something to say
Her tongue went too fast,
Her voice didn't last,
And was quiet the rest of her days.

Follow these instructions to write a hilarious poem:

1. Fill out the **Laughing Limerick Questionnaire** sheet.
2. Use the **Laughing Limerick Rough Draft** sheet to write your poem. Remember the limerick writing rules to make sure you are writing a good poem.

Molly Malone Sing and Respond

Sing the song and draw a picture of Molly Malone.

What kinds of things will you include in the picture? Read the lyrics carefully.

In Dublin's fair city, where the
girls are so pretty,

I first set my eyes on sweet Molly Malone,

As she wheeled her wheelbarrow, through
streets broad and narrow,

Crying cockles and mussels, a-live a-live O!

Chorus

A-live a-live O! A-live a-live O!

Crying cockles and mussels, a-live a-live O!

She was a fishmonger and sure
it was no wonder,

For so were her father and mother before,

And they both wheeled their barrows,
through streets broad and narrow,

Crying cockles and mussels, a-live a-live O!

Chorus

She died of a fever and no one could save her,

And that was the end of sweet Molly Malone.

Now her ghost wheels her barrow, through
streets broad and narrow,

Crying cockles and mussels, a-live a-live O!

Chorus
