

Hi Everyone,

Thank you again for all your hard work and engagement this week. The focus for this and next week will be on the Transition Workbooks that you would have received on collecting your books.

We are all aware of the difficulties facing everyone during these uncertain times. We know that everyone's home situation is different. Not everyone will have time to do all this work. If anything is too difficult for your child, they can skip it. We want to provide you with support, but we don't want to add any extra stress to your lives. We will focus on tasks that include revision and tasks that can be completed independently. We have included a list of suggestions at the end for extra activities for anyone that would like to try them.

We ask that your child complete the following tasks each day:

	-----	Tues	Weds	Thurs	Fri
Daily Mental Maths Test + Problem Solving Questions (Week 34)					
Practice Tables (+ - × ÷) Visit <a href="#">Topmarks</a> for games					
Read a Book of Choice					
Watch a short programme on <a href="#">Cúla4</a>					
Write your 'Nuacht' for each day (3 sentences)					
Exercise Visit <a href="#">GoNoodle</a> for indoor activities or Joe Wicks live Youtube @9.30am					

Four other tasks will be posted each week for your child to engage with. Details are available on the following pages:

Task 1:	Transition Workbook
Task 2:	Gaeilge - Cad ba mhaith leat a dhéanamh?
Task 3:	Easter Rising - Virtual Tour
Task 4:	Art

### Task 1: Transition Workbook

We hope that parent and child will find this workbook useful. It can be an anxious time for students starting secondary school so we hope that working through this booklet will bring opportunities to talk to your child about different concerns they may have. It is important to remind them that everyone will be in the same boat and that they will very soon get into a new routine for their secondary school.

Below is a suggested guide for the workbook.

Monday	Introduction P.3, 4 Transition Together P. 5
Tuesday	Finding My Way Around P.6, 7
