

Happy Easter everyone!

We hope you all enjoy a lovely break with plenty of chocolate and hopefully some nice, sunny weather too.

As this is holiday time, we won't be assigning work for the next two weeks. However we have included some activities below that could be completed during the break. There are lots of fun activities online and remember it's very important to stay active too.

We will be in touch with the work for the week beginning April 20<sup>th</sup>.

Take care.

- Time Capsule Activity on Page 2

# **An idea for the kids**

**Our children are living through history right now. So why not get them to make a time capsule.**

**1. Write a letter to themselves. Tell their ages, who their friends are, favourite TV show, song, book, etc. Write about what's going on. In their own word. Tell their future self how they feel. Talk about what they would like to be when they grow up and 5 things they want to do when they are an adult.**

**3. Draw a picture of their family as it is now.**

**4. Take some pictures of today, print them out and include them in the box**

**2. If it's safe to get a newspaper get one and let them cut out articles that they think would be important for their future self. Or print them from online**

**5. Put it all together in a scrapbook or a lunch box and stick it up in the attic or somewhere you won't get at for years to come.**
