

Hi Everyone. This is the 6th class work for the week ahead.

We are all aware of the difficulties facing everyone during these uncertain times. We know that everyone's home situation is different. Not everyone will have time to do all this work. If anything is too difficult for your child, they can skip it. We want to provide you with support, but we don't want to add any extra stress to your lives. We will focus on tasks that include revision and tasks that can be completed independently. We have included a list of suggestions at the end for extra activities for anyone that would like to try them.

We ask that your child complete the following tasks each day:

	Mon	Tues	Weds	Thurs	Fri
Daily Mental Maths Test+ Problem Solving Question (Week 26)					
Practice Tables (+ - × ÷) Visit Topmarks for games					
Read a Book of Choice					
Watch a short programme on Cúla4					
Write your 'Nuacht' for each day (3 sentences)					
Exercise Visit GoNoodle for indoor activities					

Four other tasks have been added for your child to engage with. Details are available on the following pages:

Task 1:	Maths - Addition and Subtraction
Task 2:	Write a Movie Review
Task 3:	Rivers
Task 4:	Art
