

Week beginning Monday 30th March

Hello everyone. This is the 4th class work for this week.

We know that everyone's home life is different. Not everyone will have time to do all this work. If anything is too difficult for your child skip it. We want to provide you with support and we do not want to add any extra stress. The tasks we have chosen focus on revision and are similar to activities we would use in school.

Every day we recommend that your child complete the following:

	<i>Mon</i>	<i>Tue</i>	<i>Wed</i>	<i>Thurs</i>	<i>Fri</i>
One day of NWMM & Problem Solving					
Watch a short cartoon on cúla4					
Read a book of choice					
Practice tables					
Exercise					
One page of handwriting (twice a week)					
Pick a song to practise on the recorder
