

## Week beginning Monday 11<sup>th</sup> of May

Hello everyone. This is the 4<sup>th</sup> class work for this week.

We know that everyone's home life is different. Not everyone will have time to do all this work. If anything is too difficult for your child, skip it. We want to provide you with support and we do not want to add any extra stress. The tasks we have chosen focus on revision and are similar to activities we would use in school.

Every day we recommend that your child complete the following:

	<i>Mon</i>	<i>Tue</i>	<i>Wed</i>	<i>Thurs</i>	<i>Fri</i>
One day of NWMM & Problem Solving.					
Watch a short cartoon on cúla4.					
Read a book of choice .					
Practice tables .					
Exercise .					
One page of handwriting.(twice per week)					
Pick a song to practise on the recorder .					

Five other challenges will be posted each week for your child to engage with. There are 2 Maths Challenges to cater for all abilities included in this week's work. Please choose the Maths Challenge that suits your child. Good luck!

**Ryan and Aoife went to the carnival with Mum and Dad. Figure out how much money was paid using these clues:**

- Mum took Ryan and Aoife for a ride with her on the Big Wheel.
- Dad tried his luck at the shooting gallery. He took 17 shots.
- Mum had her palm read by the fortune-teller, who then read her cards.
- Everyone had an extra-large candy floss.
- They all had a go on the roller-coaster. Aoife enjoyed it so much she had a second go.
- The children had their faces painted, for which they each paid €1.75.
- How much did the day out cost in total?

**Auntie Mary and Uncle Tom took Emily, Luke and their baby brother Cian (age 3) to the carnival. Figure out how much they paid using these clues:**

- The three children started with a ride on the merry-go-round.
- The fortune teller read Uncle Tom's cards and told Auntie Mary her future.
- Cian had a large candy floss while Emily and Luke each had an extra-large one.
- Auntie Mary took Luke to a shooting gallery and paid for 29 balls.
- Uncle Tom took Emily for a ride on the roller-coaster.
- All five had a go on the Big Wheel.
- How much did the day out cost in total?

## Challenge 4: Art: Recycled building/street/castle.

- Using items you find from the recycling bin ,construct a castle,a house, a whole street or any building you like.
- You can use items like cardboard, toilet roll inserts, newspaper, empty plastic bottles or anything that isn't being used anymore and would have been recycled!  
(If you're not sure about using something, ask an adult if it's ok!)
- When you've finished, colour or paint your finished creation!

# Design your own quiz!

- A quiz on a topic of your choice.
- Pick a topic that you are interested in and know lots of information about.
- Try to have at least 8 questions but you can have more if you like!
- You could have more than 1 round of questions .
- Be sure to check that your answers are correct before you ask the questions!
- When you are finished, you can do the quiz with somebody in your house or maybe even do the quiz using "Zoom" or "Skype" with someone you haven't seen or spoken to in a while!
- Some subject ideas could be "Harry Potter" , "Our Family" , "Liverpool FC" , "The Dublin Football Team" etc. but I'm sure you can come up other ones as well.
- You could even have different rounds on different subjects!
